## SANI-FRESH

Sani-Fresh contains an effective bactericide and deodoriser/cleaner.

The active bactericidal ingredient in Sani-Fresh kills a wide range of germs. Sani-Fresh has a clinically clean and fresh wintergreen fragrance and effectively removes odours caused by pets, smoke, vomit etc. Sani-Fresh is effective in hard and soft water areas and is suitable for use on all carpets, upholstery and soft furnishings that can be wet cleaned. Sani-Fresh can also be used in washrooms, toilets, on hard surfaces and any other areas where optimum hygiene standards are required.

### PRECAUTIONS FOR USE

Do not use on aluminium or galvanised surfaces. Test for colour fastness. Irritating to skin. Risk of serious damage to eyes. Do not breathe spray. Avoid contact with skin and eyes. Wear suitable protective clothing, gloves and eye/face protection. In case of contact with eyes, rinse immediately with plenty of water and seek medical advice. If swallowed seek medical advice immediately and show this container or label. Keep out of reach of children.

### DIRECTIONS

Remove and absorb any excess spillages or contamination from areas needing treatment. For use in a carpet cleaning machine, dilute 20ml Sani-Fresh per litre of water. For use as a general cleaner, deodoriser or disinfectant, dilute 60ml Sani-Fresh per litre of water. Apply by cloth, sprayer or mopping system.

### CLASSIFICATION

Aqueous solution. pH 6  
FOR PROFESSIONAL USE ONLY

Size: 5L  
Product Code: 0103
