

Craftex Product Specification Sheet

REGULAR POWDER

This well proven, coarse grain powder is ideal for heavy duty and commercial carpet cleaning. Suitable for use in all 'water extraction' machines and on machines and on most carpets and upholstery.

This no-foam powder leaves no residue to resoil fibres. For hard water areas Craftex Top Grade Powder (0008) is more suitable as it contains extra water softening properties. After cleaning wool carpets use Craftex Fibre Fresh Rinse (0029) to neutralise the pH value.

PRECAUTIONS FOR USE

Wipe off polished surfaces immediately. Test for colour fastness. Causes burns. Irritating to respiratory system. Keep out of reach of children. Keep away from food, drink and animal feeding stuffs. Avoid contact with skin and eyes. Wear suitable protective clothing, gloves and eye and face protection. In case of contact with eyes, rinse immediately with plenty of water and seek medical advice. In case of accident or if you feel unwell, seek medical advice immediately (show label where possible).

DIRECTIONS

Use 15ml to 30ml 0003 per 10 litres of hot water depending on the degree of soiling. Sprinkle into the solution tank.

CLASSIFICATION

Alkaline powder. Contains disodium trioxo-silicate pentahydrate. pH varies with dilution from 10 -12.

Size: 15kg
Product Code: 0003
